Scoring Notes : 10 points on offer each end. Closest to jack scores 4 points, next closest 3, then 2, then 1. When jack is rolled to start the end, it is placed on a marker. Should the jack move during the end, the jack is always replaced onto that marker. Should the jack move further than 1 metre (i.e. stick length), a penalty of minus 5 points will be awarded to that player who moved the jack. First to 100 points wins.

The player whose bowl is closest to the jack, i.e. wins the 4 points on the previous end, rolls the jack on next subsequent end. If a delivered bowl, hits a stationary bowl which then moves the jack further than the 1 meter, the player delivering the bowl will be penalised 5 points.

Please note :

Games are scheduled to be played on dates shown, however, if not able to be played on that date, then both players are **expected to fully cooperate** to reschedule the game. If rescheduled, then games are to be completed before the second date shown, i.e. before the next round of the draw. If game rescheduled, players are to notify the appointed marker. If appointed marker is unavailable, players are to arrange new marker.

The Games Manager (games@stluciabowls.org) and the Bowls Captain (admin@stluciabowls.org) are to be advised of the arranged game times.
