Third Round – St Lucia Dental Birdie Triples

The Plovers moved to the top of the ladder with a strong win over the Finches. The previous leaders, the Wrens, lost a close match to the Koels which dropped them into third position just below the Koels who are currently in second place.

Sponsor's Corner – Ray White Toowong

Reuben Packer-Hill leads the Ray White Toowong team as Selling Principal, with over fifteen years' experience working through the western suburbs. Partnering with Matt Lancashire and Haesley Cush, directors of Ray White New Farm, Bulimba, Clayfield and Living Here, Ray White Toowong is part of a collective group with high-performing agents and a strong rent roll, providing their clients and customers with the benefits of a collaborative approach.

Growing up in Toowong, Reuben is a local through and through. Being successful is one thing, but the experience is all the more rewarding if you can give back and share with the local community. Reuben together with the team at Ray White Toowong support several community organisations including the St Lucia Bowls Club, Toowong Rotary, Wests Rugby Club, Chapel Hill State School, Kenmore District Historical Society and Kenmore Bears Junior Rugby Club.

Ray White Toowong (formerly Belle Property) have been long-time sponsors of our club and many of our members have been most satisfied with their services. We do appreciate their support and this relationship.
