## DUCHESNE COLLEGE EVENT

Duchesne Day is nearly here - **Sunday 1 March from 2-6pm** will see 550 students from Duchesne and other UQ Colleges descend on the club for an afternoon of bowls and partying. It's a big event for our Club and we will need all hands on deck to help. We require many members to supervise bowls on the greens so please come if you can. With good numbers to help, it's possible for people to be able to pop inside for a cup of tea and rotate greens duties. If you haven't been before, it is a fun day and certainly an important boost to our revenue.

Please put your name on the list on the noticeboard or email [admin@stluciabowls.org](mailto:admin@stluciabowls.org)

## UNION COLLEGE ORIENTATION EVENT

On Monday, SLBC again hosted 170 first-year students from Union College who played bowls as part of their orientation activities. This has been part of the Union College's welcome to their new students for many years and the Club appreciates the fact that they value our role in their welcome.

Thanks to the teams led by Rob Malcolm and Mark Benson and the last-minute volunteers who assisted with the on-green bowling, making this event such a success.

## OPPORTUNITY FOR MEMBERS TO ASSIST FINDING POSSIBLE SPONSORS

What better way to introduce firms as sponsors for SLBC than through fellow members who have had good experiences when using the services of various businesses!

There are fliers in the clubhouse available to members to let them know how to share the names of firms who have pleased them with other members who may need similar skills or assistance.

Talk with Ian Thomas, SLBC Sponsorship Manager, if you have any recommendations.

## CLUB BOWLING ARMS

Will members who have **borrowed bowling arms** from the Club to try them out please contact Peter Jordan? This **equipment does belong to the Club** and there seem to be several items missing.
